

SAMUEL CARDONNEL

Developer

Apprenticeship – IPI Toulouse

Duration : 12 then 24 months

Type : Professionnalization contract

Rythm : 3 weeks in enterprise / 1 week at school

Availability : 20 August 2024

A year ago, I decided to **retrain** to become **DevOps**. After a first career as a **Chiropractor**.

I'm currently owning a title of Web & mobile **web developper** and I'm **looking for an enterprise** to do my apprenticeship and pursue my skills progression on the field with concrete projects.
